Back to the roots

14,5 km loop:

Departure from the *Place de l'Église* – take the direction of the cemetery, walk past the cemetery, continue straight and start entering the wood. When you arrive at the entrance of the meadow, turn right. Continue until you reach the crossroad of the *4 chemins*, turn left, walk down to the Château du Mons.

At the crossroad, turn left on the municipal road. When you arrive on the D26, turn right. At 800m, take the second path on your left that leads down to the Vezere, continue until you reach the village of “*La Mazière*”.

(Here, you can catch up the 8,3km loop)

After the village, continue on the same road, and in the bend, take the path on the right. When you arrive on the municipal road, turn right and keep walking until you reach “*Vieillemorte*” – view on Chamboulive, Le Lonzac, Les Monédières. At the crossroad, take the road on the right for 300m; continue straight between two meadows, turn left taking the sunken path. Pass on the Verdier pond dyke, go along, walk up on your right to the village – **view on the castle of Verdier and its canal on the right**. Take the road going up to the village of *Le Verdier*. At the crossroad, turn left on the municipal road for 100m, walk down the path on the right for 100m. At the intersection, turn left passing behind a recent house.

After 800m, turn left in the direction of the old ponds of “*Le Châtaigner*”. At the entrance of the village, turn right on the path rising, pass through a farmyard – **view on the school of the Châtaigner**. At the crossroad, cross the municipal road and take the path in front of you for 700m. Cross the municipal road again and take the path in front of you for 300m, then turn left in the direction of the village of *Nauche*. When you arrive in the village, turn left twice in the direction of the village of *Nussas*. Once you reach the village, turn on the right to catch up the sunken path – particularity: marks on the rock along the *Chemin des roues de charrettes* (wagon wheels path).

Continue to the gutter, walk up the path turning left to pass under the village of “*La Brousse*”, go along the meadow (here you catch up the 8,3km loop), turn right to follow the municipal route for 1km ignoring 2 roads on your left. After the red-tiles roof barn, turn left into the undergrowth and turn immediately on your right to the “*Baspeyrat*”. When you leave the path, take the road in front of you. At the RD3 and RD26 crossroads, turn left in the direction of Chamboulive. 300m away, turn right in the path. After the fir forest, turn right to walk up to the church.

8,3 km loop:

Departure from the *Place de l'Église* – take the direction of the cemetery, walk past the cemetery, continue straight and start entering the wood. When you arrive in the meadow, turn right. Continue until you reach the crossroad of the *4 chemins*, turn left, walk down to the Château du Mons.

At the crossroad, turn left on the municipal route. When you arrive on the D26, turn right. At 800m, take the second path on your left that goes down to the Vezere, continue until you reach the village of “*La Mazière*”.

In the village, take the sunken path on the left. After the pond, turn right to reach the municipal route. At the crossroad, turn left and follow the path for 2km ignoring the 2 other paths on the left. After the red-tiles roof barn into the undergrowth and turn immediately on the right until you reach “*Baspeyrat*”. When you leave the path, take the road in front of you. At the RD3 and RD26 crossroads, turn left in the direction of Chamboulive. At 300m, turn right in the path. After the fir forest, turn right to walk up to the church.
